# WELCOME OUR CHRISTMAS COLLECTION 2025

Christmas is a special time of year — filled with presence, joy, and those little moments that deserve something truly exceptional. We at Embacollage believe the magic begins with beautiful gift wrapping.

That’s why we again this year are excited to share this year’s Christmas catalogue with you. It has been created with great love for detail — a collection full of new, elegant, and beautiful designs that combine luxury with accessibility to prices everyone can effort.

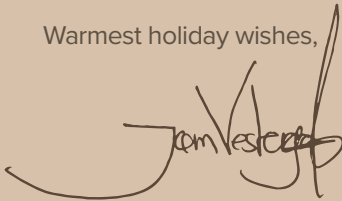

The collection includes everything you need to make your gifts truly special. From stylish wrapping paper and matching ribbons to tissue paper and unique gift tags — every piece is designed with care, an eye for aesthetics, and a focus on quality.

We’ve also taken care to consider the environment. That’s why our materials are FSC-certified and recyclable, allowing you to wrap beautifully with thoughtfulness and a clear conscience.

We hope our Christmas Collection 2025 will inspire you to create your own personal and heartfelt gift wrapping — full of warmth, charm, and plenty of holiday spirit.

Merry Christmas — and happy wrapping!

Warmest holiday wishes,

The Team Embacollage  
Jørn Vestergaard

Merry Christmas
